THE GAME

Fly Warhawk into the Asteroid belt destroying the enemy bases, wiping out the marauding hordes of enemy starfighters. Avoid the perils of space mines and meteor showers which will erode your defensive energy shields.

Once your mission is completed, advance to the next Asteroid where the defences are waiting to seal your fate.

LOADING

1. Connect your tape unit to your Atari according to the User Manual, and insert the re-wound cassette.
2. Switch OFF your computer.
3. For Atari 800 owners, hold down START, switch ON your computer and press RETURN.
4. For Atari 800XL and 130XE owners, hold down START and OPTION, switch on your computer, and press RETURN.

PLAYING THE GAME

Warhawk may be played by plugging a joystick into port 2 of your Atari computer. The aim of the game is to destroy all the enemy ground bases. You will receive a welcome bonus if you manage to completely wipe out a base.
